ELECTRICAL METER RE-SET

Owners of commercial and residential buildings that simply need a meter re-set to restore power to their buildings are advised to contact a licensed State of Ohio electrical contractor in order to submit approval documentation to the respective utility companies for re-setting of electrical meters. Please see the following helpful information:

Visit the Ohio Department of Commerce Online Licensing Web <https://elicense4.com.ohio.gov/> for a list of State of Ohio Licensed Electrical Contractors.

Contact Illuminating Company 1-800-589-3101 for 9 digit work order number

Send your inspection report (from State of Ohio Electrical Contractor) to your electric provider below:

OHIO EDISON:

Fax: 330-315-9298
